

FELIX ROSENQVIST

CV

Felix Rosenqvist, 20, lives in the city of Malmö in his native Sweden. Felix began his career in karting, where he finished second in the Nordic Championship in 2005 and successfully competed on the international stage until 2007 when he made the step to single-seater racing and Asian Formula Renault. After finishing fourth overall and ending his debut season as Rookie of the year, Rosenqvist stayed on in the Far East and won 10 out of 15 races to claim the 2008 Formula Asia 2.0 title.

In 2009, he returned to Sweden and won both the North European Zone and Swedish Formula Renault championships. At the end of the year, he did two one-offs - resulting in a SEAT Leon Supercopa podium on his touring car debut in France and two victories and a new lap record at the Formula Palmer Audi finale at Snetterton, Great Britain. 2010 saw Rosenqvist make his Formula 3 debut in the German championship, winning two races and finishing on the podium eight times before ending the season on a high by finishing ninth on his debut in the prestigious Macau Grand Prix.

In 2011, Rosenqvist took the step to the world's premier Formula 3 championship – Formula 3 Euro Series – with German outfit Mücke Motorsport, racking up ten podiums and one win and establishing a new all-time F3 lap record at Hockenheim. 2011 also saw Rosenqvist become the first Swede ever to win the classic Masters of Formula 3 at Zandvoort.
